

ATP Complete 2 System Activation

Skip steps 1 – 2 if you already have access to the website and can log in.

1. You will receive an email from the ATP Complete 2 System (@rctestnow.com) with the credentials (username and password). Please check your inbox and junk mailboxes.

Hi,

Your account has been created on Smart ATP system. Please Login using the following credentials.

Username:

Password:

[redacted]

(you have to change it after first login)

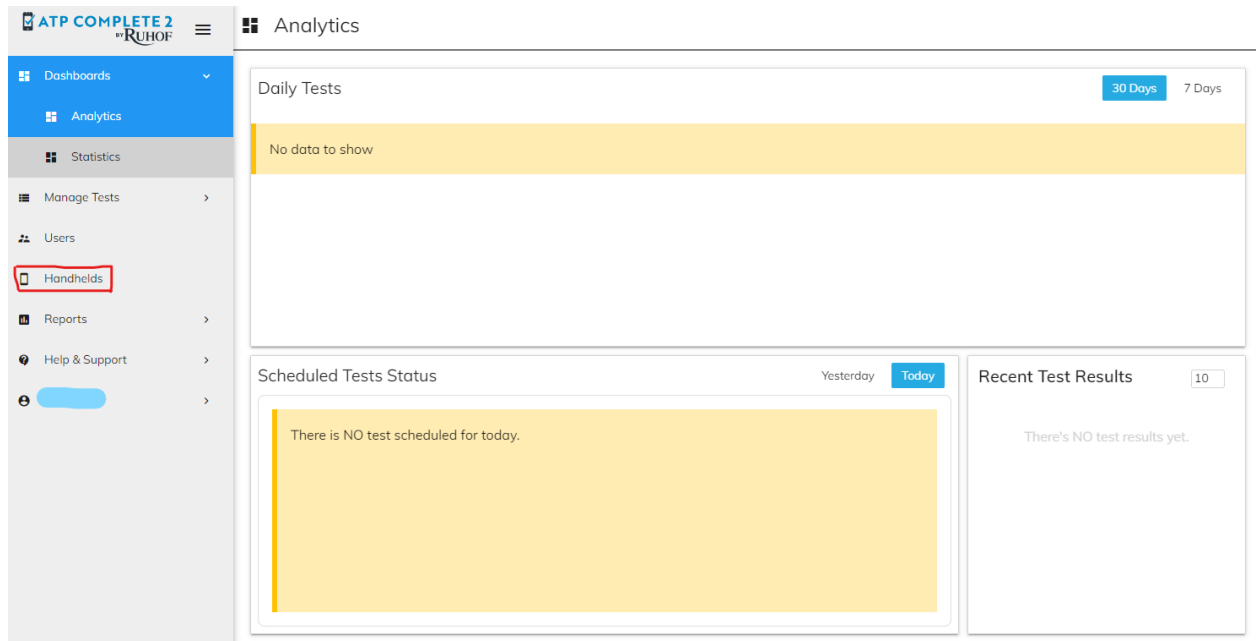

Activation link: [Click here to login](#)

Thanks & Regards,
Smart ATP team

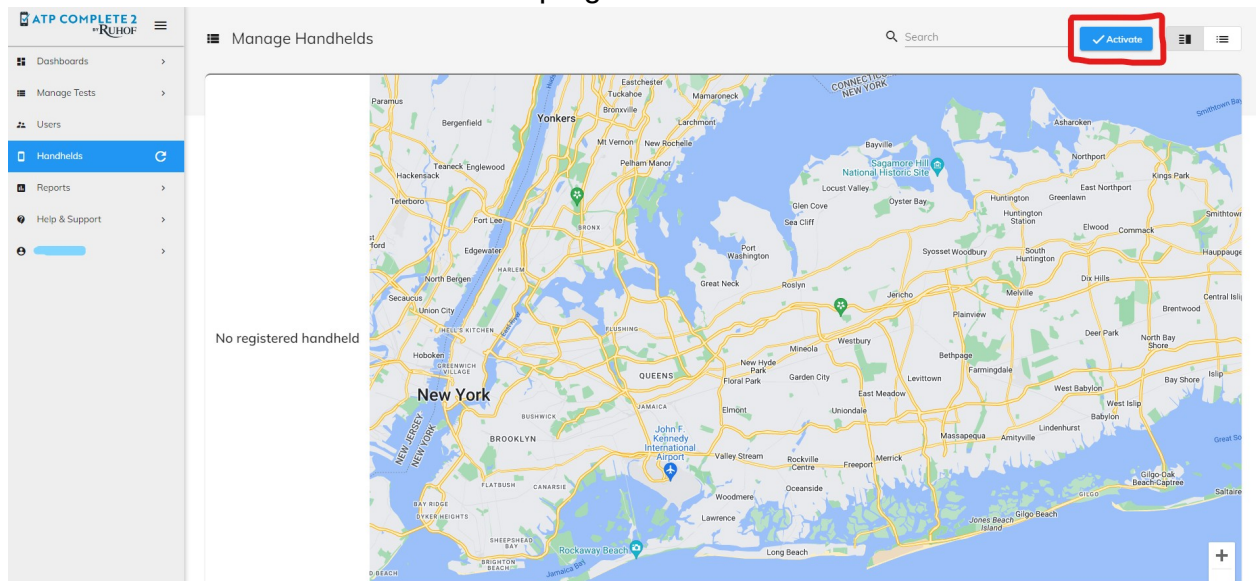

2. Click the activation link and use your username and password to log into the website.

A screenshot of the ATP Complete 2 login form. At the top, there is a blue circle with a white checkmark. Below it is the ATP Complete 2 by RUHOF logo. The form has two input fields: "Username or Email" with the text "username" and "Password" with a masked password "••••••". There is a "Remember Me" checkbox and a "Forgot Password?" link. A blue "LOGIN" button is at the bottom. Below the button is a "Change Language" link with a globe icon.

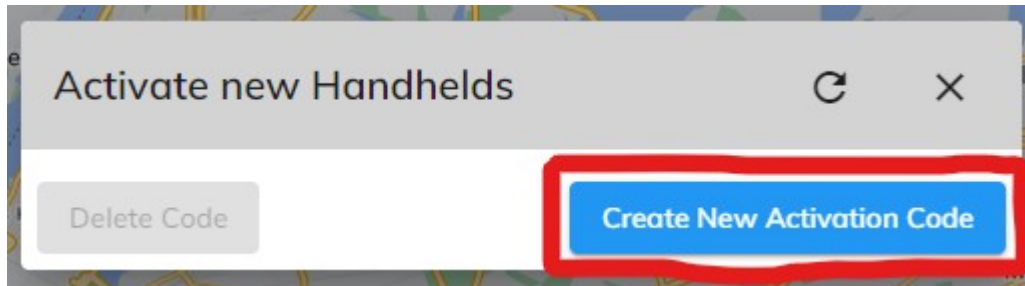

3. On the left-hand side of the screen, you will find the “Handheld” tab. Please click on it.

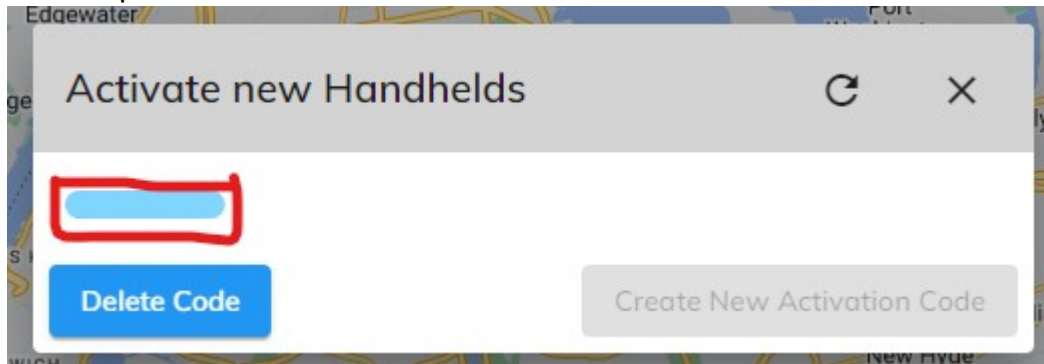

4. Click on the “Activate” button in the top right corner.

5. Click on “Create New Activation Code”.

6. You will see an activation code. Please take note of it since we will use it in the next steps.

7. Go to your device, turn it on, and connect it to your facility's Wi-Fi.

8. Go to the register screen in the device, then type a name for your device and type the activation code that you noted from the website. Press “Activate”
